

A black and white image of a spiral pattern, similar to the one in the top-left collage. The spiral is composed of many concentric, slightly irregular circles, creating a sense of depth and movement.

Question:
Why are they distrusting, risk taking, rebellious and suicidal?

Hypothesis:
whole systems (micro, intra/ interpersonal, intra/ intergroup, ecosystems, planetary, galactic, universal) cognitive dissonance. they have a hard time affirming their lifes meaning amidst a modern man made mass extinction
